Amigo Studios valuation

Price for Austin's 75%: ~$33k

The whole studio is worth about $44k. Pat already owns 25%, so the buyout is 75% of that.

Gear and furniture (not Pat's own podcast gear)	$18k
Use of the ~$60k build-out under a renewed lease	$10k
Website and booking system (we both keep resale rights)	$12k
Peerspace listings and reviews	$4k
Whole studio	**$44k**
Austin's 75%	**$33k**

Check against earnings: since July the studio has made about $2.2k a month before anyone is paid, which is about $27k a year. That supports roughly the same price.

Range: about $23k with a short lease renewal, up to about $55k if the podcast-services clients stay long term.

Assumptions

- The lease renews, and the landlord moves it into the buyers' name and releases Austin, Jeremiah and Beau.
- Cash, card balances and prepaid bookings settle separately at closing.
- This is a rough estimate from the Mercury records, not an appraisal.
